

QUALITY BUILDING AWARD 2024

Pre-award Seminar Series

Seminar 4 – “Heritage Buildings: Sustainable Adaptive Reuse for Social Inclusion and Economic Viability”

The Quality Building Award 2024 Pre-award Seminar Series aims to showcase the success stories of past winners. The fourth seminar, themed “Heritage Buildings: Sustainable Adaptive Reuse for Social Inclusion and Economic Viability”, explores sustainable adaptive reuse strategies for heritage buildings, focusing on their social inclusion and economic viability. At the same time, the seminar emphasizes the importance of preserving heritage buildings while promoting sustainable transformation to meet the changing needs of society.

About the Quality Building Award 2024

The Quality Building Award (QBA) is a prestigious biennial recognition for exceptional teamwork and professionalism in designing and constructing quality buildings across Hong Kong, Mainland, Macau, Taiwan, and overseas. Organized by nine leading institutions in the property and construction sectors and chaired by the Hong Kong Construction Association (HKCA), the QBA 2024 encourages innovation, sustainability, and happiness with the theme of “Empowering Innovation | Sustaining Green | Generating Wellness”. It continues to honour outstanding contributions and advance Hong Kong’s development.
